REMEMBRANCE DAY

We will be holding a virtual Remembrance Day Assembly for our at-school and TL learners. The Assembly will be held at 10am on Tuesday, November 10th, and the Zoom login information will be sent to you in next week's newsletter. We look forward to having our community come together for this very special assembly.

In addition, poppies have been sent to the school and will be handed out to our in-person learners. Normally we ask for students to bring in a donation to the Poppy Fund, but this year, we will ask for online donations to eliminate the need to handle money. Poppy Funds may be used for grants for food, heating costs, clothing, prescription medication, medical appliances and equipment, essential home repairs, emergency shelter or assistance for Veterans and their

families in need, and housing accommodation and care facilities for Veterans. We thank you for your donations. Please use the following link:

HALLOWEEN

Please stay safe tomorrow evening if you plan to have your children go trick-or-treating and/or if you are handing out treats from home. The Centre for Disease Control has some good ideas on their website: <http://www.bccdc.ca/health-info/diseases-conditions/covid-19/social-interactions/halloween>

We've also been hearing of some creative and safe trick-or-treating at home ideas that parents have thought of to make the day exciting for their children. We can still have fun, even if it looks different than usual!

Thank you to Div. 17 for sharing their painted pumpkins with us!

PARKING AFTER SCHOOL

Just a reminder to parents and caregivers that the parking lot should not be used for student pick up after school. It is not safe to have children crossing the drive through lane and walking through the staff parking lot at a time when there is significant traffic. We are hoping that all parents and caregivers will help us keep children safe. We don't want any accidents!

TL STUDENTS RETURNING TO SCHOOL

Don't forget that if you would like your child to return to in-person learning, please contact the office by phone or email so that we can make arrangements for a suitable start date. The next official intake is November 16th, however, we can discuss an earlier return if you wish.
