

# Spul'u'kwuks Elementary PAC Hot Lunch Fundraiser 2025/26

## PAC HOT LUNCH

is one of our school fundraisers organized by our PAC (Parent Advisory Councils) and operated by parent-volunteers. All profits benefit our students and school. For example, PAC sponsors student's field trips or special events, purchases additional materials and library books as well as updating or replacing student's computers and iPads. Your support in our program is greatly appreciated.

PAC Hot Lunch is different from private sector vendors (e.g. Libby's Kitchen). We appointed various trusted vendors to provide our food, it has been very successful for years in our school.
