Why is it important to be on time for school?

Over the last few weeks, we have noticed that more students are arriving late at school in the morning. This week, we are sharing some long term benefits of being on time and what you can do at home to make it happen! Next week, we will share some tips on overcoming common challenges.

Overcoming Common Challenges

Addressing Sleep Issues

If a child has difficulty sleeping or waking up, identify and address the underlying issues. This could involve creating a relaxing bedtime routine, reducing screen time before bed, or consulting a healthcare professional if sleep problems persist.

Managing Morning Distractions

Limit distractions in the morning by creating a calm and organised environment. This might include turning off the TV, limiting access to devices, and setting clear expectations for morning behaviour.

Providing Support and Encouragement

Positive reinforcement can motivate children to be punctual. Praise and rewards for consistent on-time arrivals can help build the habit and make the effort more enjoyable.

Reminder about Kindergarten Registration

We are excited to welcome kindergarten registration applications for children born in 2021, turning 5 in 2026. These children will begin kindergarten in September 2026.

Online registration begins November 1, 2025.

Families are encouraged to register any time during the priority 1 registration period (November - January) for the best chance at attending their catchment school. All registration applications completed any time during the priority 1 registration period will receive placement decisions via emails from the school by February 6, 2026.

As per district policy, a student will normally attend the school located in their catchment area in which their parents or legal guardians reside unless there is no physical, resource or program space available. This provision may need to be applied more frequently, potentially resulting in more students needing placement outside their catchment school.

Parent Education Session: Late French Immersion Webinar
