TRAFFIC SAFETY

We've had several rainy mornings recently, and we've noticed that drop-off lane traffic increases significantly on those days. Traffic does slow down when there is increased demand, so please remember to leave yourselves extra time to get to school. We have had reports that some drivers in front of the school have been on cell phones as they go by. We hope that all our parents will be sure to put the phones away when they are driving. Also, please pay careful attention to students using the crosswalk on Blanshard Drive to avoid close calls or accidents. We are pleased to report that traffic flow in the drop-off lane continues to go well. Thank you so much for your support and care!

SPUL'UKWUKS VIRTUAL HOLIDAY CELEBRATION

We are getting excited about our virtual celebration that will be held next Wednesday, December 1st from 6:30-7:30pm on Zoom. We have attached an invitation with login information and a list of items for you to have on hand before the celebration begins. The event will be held in English and translated in Chinese, so it will be accessible to more families. Invite your close family members to join you in the songs and activities and cross your fingers for your chance to win one of the PAC poster prizes, one of four Pokémon box sets (kindly donated by a Spul'ukwuks family), and the "Guess How Many?" prize that we will introduce at school next week. We hope you can join us for the fun!

SCHOOL PHOTOS ONLINE

This is a reminder that if you wish to purchase school photos of your child, that orders are now completed online. Directions are on the QR code proof that was sent home with your child. If you have lost your QR code, you can email spulukwuks@sd38.bc.ca to request your unique alpha-numeric access code.

STUDENT ILLNESS

This is another reminder that students should not be sent to school if they have any symptoms of illness. We have continued to send students home after they arrive at school not feeling well. Each family is expected to complete the Mandatory Daily Health Check (attached) and keep children at home if they are ill. Even if you know that your child's illness is not Covid-related, they still must stay at home until they are better. Thank you for helping to keep our community healthy!

PAC HOT LUNCH

The next hot lunch is on Monday, Nov 29th. Please remember to pack eating utensils for your child if you ordered a hot lunch for them! We'd like to reduce plastic utensil waste as much as possible.
