DAILY HEALTH CHECK

Earlier this week, we sent home an email outlining the new VCH guidelines for illness (positive and negative results) and contacts. We have also attached it to this newsletter. There is information that applies to both children and adults. We appreciate you reading and following the guidelines. If you are unsure as to what to do, you need to consult with 811 or your health practitioner to make decisions regarding symptoms and being well enough to return to school. As always, we ask that you do not send your children to school if they are experiencing any symptoms of illness.

LUNAR NEW YEAR

Thank you so much to our Spul'ukwuks PAC for providing activities for lunar new year! Today we had a Kahoot! game for our intermediate students, Bingo for our primary students, crafts for all students, and prizes for the games. On Tuesday, the first day of the lunar new year, we will announce the winner of our "Guess How Many?" gold coins contest. For those who are celebrating, may the lunar new year bring peace, joy, and comfort to you and your family.

INTENT TO RETURN SURVEYS (K-6)

If you haven't returned your survey, please do so as soon as possible. We have just over half the surveys returned so far. We need this information so that we can begin planning for next year how many students and divisions we will have.

SHOE DRIVE

Thank you for the donations already given to our shoe drive! If you haven't looked yet, we would be grateful if you could take a few minutes to go through the footwear in your house to see if you have any pairs that are in good condition and no longer fit or are no longer worn. We have large orange donation boxes near the office where your children can drop off the shoes.
