

2021-2022 Richmond Continuing Education (RCE) Bulletin

No. 2022-01-26

1. Adult Secondary Graduation

There is a wide range of courses that lead to BC secondary graduation (standard and adult diploma). The most popular are the Foundation English Language Arts courses. There are English 10-12 courses as well as math, science and a variety elective courses to choose from. At this time, all courses are delivered online using Zoom.

Phone 604.668.7899, email RCE@sd38.bc.ca or visit www.RichmondCE.ca

2. Essentials for Learning - NEW COURSE!!

This new course is designed to help students, ages 12-16, be better learners. Upon completion of Essentials for Learning, students will be able to:

- set up their own optimal learning space
- identify and focus on tasks
- set short, long and lifetime goals
- organize and balance activities in a busy schedule
- get the most out of all learning experiences
- better comprehend information
- determine the reliability and credibility of information
- better convey knowledge to others
- better retain and recall information
- do better on tests and exams

3. LINC (Language Instruction for Newcomers to Canada)

This English language settlement program is for adults who are relatively new to Canada and are permanent residents. Adult learners will learn about life in Canada, Canadian Laws, healthcare and education among other topics. It is a great way to meet new friends!

Phone 778.2987.7090 or email RCE@sd38.bc.ca for more information.

4. Mandarin Language Studies

Join one of the largest Mandarin language programs in BC! There is a series of courses designed to help students learn about Simplified Chinese Characters as well as Chinese culture. These courses involve reading and writing, grammar, vocabulary, sentence structure and Hanyu Pinyin system. At this time, all courses are taught online using Zoom.
