UKRAINE FUNDRAISER

Our Ukraine fundraiser is going well! Thank you for your cash and online donations so far 😊. Our last day to collect cash and CashOnline donations is Monday, March 28th. Even our younger students are eager to support the cause and are making bracelets so they can donate the money earned to the Red Cross. Just over a week to go...Together we can make a difference!

PAC HOT LUNCH REMINDER

Don't forget that this Monday, March 21st is the last PAC hot lunch before Spring Break. More information about Hot Lunch in May will come next week.

WALK OR WHEEL TO SCHOOL

We encourage you to walk or wheel (scooters, bikes, skates) to school with your children. It does require a little extra time, but it's worth the benefits of fresh air, extra time with your kids, the opportunity to meet other families, helping the environment, and exercise! We know that some of our families travel a longer distance than others, but you can park further from the school and walk or wheel the last part of your trip to participate. Less vehicle traffic around our school makes the environment safer for our children as well. If you get into the habit when the weather is good, it will be easier to keep it up in the rainier months. We do play outside in all kinds of weather, so your kids are used to it!

TIP: Having the proper clothing really helps make walking or wheeling to school easier! Try the dollar store for ponchos that can be worn over jackets and backpacks to keep everything dry.

EXTRA CHANGE OF CLOTHES

We have had some very wet days and can expect some more before our break. Please be sure to send a full change of clothes with your child to keep at school. It is more convenient for all of us if we don't need to phone you during the day!

WHAT'S YOUR TALENT, PARENTS?

We are hoping to have some after-school activities for our students after we return from break and would like to invite parents to come and share their talents with our students. **Do you have a talent or special skill you would like to volunteer to share with some students as part of an after-school program?** The idea is to bring in different parents once a week for an hour and provide a learning opportunity/exposure to something new for our students. The possibilities are endless! You could teach chess, an art class, a new language, etc. If you have an idea, send an email to Mrs. Stapleton and we can talk about age group, number of students, what day of the week, for how many weeks, and what materials are required. We would love to deepen the connection with our parent community!

Covid Rapid Test Kits

If you haven't picked up your child's rapid test kits, you can come to the office window on school days between 9 - 11:30am or 1 - 4pm to get them.

HAPPY ST. PATRICK'S DAY!

We all got in on the fun yesterday! Here are some photos from our day...

"ANYTHING BUT A BACKPACK" SPIRIT DAY!

Thank you to Div. 1 and 4 for thinking of this unique Spirit Day! Here are some examples of amazing student creativity!

Friday, April 1st is our next Spirit Day.
Stay tuned for the theme announcement!
