**WE'D LIKE TO HEAR FROM MORE TALENTED PARENTS!**

Thank you to those parents who responded to our request to come in after school to teach a group of students a talent that you can share with them. Don't be afraid to volunteer! The commitment does not have to be for a long time and can be with the grade level of your choosing. We can plan together to make sure you have everything you need for it to be a success! There may be a small cost to participants associated with these sessions to cover the cost of materials.

**AFTER SCHOOL PROGRAMS**

In addition to our talented parents, we are looking to offer paid programs from outside sources. You received an email this week about Brazilian Soccer, which will begin after the break for grades 2-5. There was a lot of interest and spaces filled quickly! If you registered, the school will be in touch for more information.

For future opportunities, we are looking for programs for different grade levels. If you know of a program with a good reputation, please let us know.

**LOST AND FOUND**

We have quite the selection of lost and found items. We have asked the children to have a look at the tables during school time. After school today, Monday, and Tuesday we will have tables outside the front doors of the school for you to come and collect items that your children have lost.

**FROM THE LIBRARY**

All Library books are due back to the school on **Monday, March 28<sup>th</sup>** to help us prepare for our spring break. We hope you will continue to read over the break by accessing our *digital reading resources* through [destiny.sd38.bc.ca](http://destiny.sd38.bc.ca) (*Username: 38spulu Password: Oval*) or visit your public library over the break. We look forward to having everyone back in the library in May! **Username and Password are for student use only, please do not post or share with others.** Thank you 😊 Ms. Chura & Ms. Nishi
