**BEACH DAY SPIRIT DAY!**

It seems like we are ready for our summer vacation! There were a lot of staff and students ready for the beach today!

There wasn't any water (apart from the brief rain shower), but there was sand!

**GARDEN WATERING VOLUNTEER SCHEDULE**

Thank you to all the families who answered the call for volunteers for garden watering this summer. We have taken the first six families who volunteered for the schedule and will have the other families as replacements should families not be able to water as expected. Next week, we will send out the schedule, contact information, and directions to all families who put their names forward. We appreciate your support!

**FROM THE LIBRARY**

**All Library Books are due Monday, July 18<sup>th</sup>.** Each student was sent home or informed of the books under their account today. Please enjoy these books over the weekend and return them for **Monday Morning!**

We hope the students of Spul'ukwuks enjoyed their library time this year and we look forward to welcoming back students to the library in September!

Here are a few suggestions for ways to read over the summer holidays! Happy Summer Reading, everyone!

## THE BEST PART OF ME

Division 10 read the book, The Best Part of Me, by Wendy Ewald and as a class, brainstormed different qualities about parts of the body.

Each student completed a self-reflection and used the qualities and attributes they like about themselves to create, "The Best Part of Me".
