CAPC PROGRAM

FREE
Program for
Richmond
Families with
Young Children
0-6 Years Old

What is CAPC ?

Community Action Program for Children (CAPC) is funded by Public Health Agency of Canada (PHAC)

CAPC aims to promote the health and social development of children and their families, and support families building awareness of community resources.

What Does CAPC Offer?

Culturally appropriate and linguistically sensitive programming in English, Mandarin and Cantonese.
