PINK SHIRT DAY

On Wednesday, we had an assembly for Pink Shirt Day. Prior to the assembly, students met in their Family Teams (mixed grade groups from K-7) We assigned each colour (Red, Blue, Yellow, and Green) a brainstorming activity. At the assembly, students from each team shared some of their ideas with others. Here are some examples of their ideas:

I can be kind to myself by...

- avoiding dangerous things
- speaking nicely to myself
- having a growth mindset

I can be kind to others by...

- including everyone
- using kind words to solve problems
- sharing swings, balls, and equipment

I can be kind to our school by...

- respecting our gardens by not stepping on the plants
- having a positive attitude
- respecting school materials

I can be kind to our community by...

- properly recycling what I don't need anymore
- accepting people in all kinds of bodies
- fundraising for charities

We all must take responsibility to have a safe and welcoming community! Let's choose to be part of the solution!

STUDENT SAFETY REMINDER

If you park across the street to drop off or pick up your children. Please make sure they use the crosswalk. We have had some close calls recently when children have run across the street, and we don't want anyone to get hurt. It takes extra time, but it's worth it to avoid an accident!

Please remember to keep kids at home if they are sick to help prevent the spread of illness!

SPIRIT DAY: TOO BIG DAY!
