**HOT WEATHER**

We can expect hot weather until the end of the school year and need to be prepared for the conditions outside. Please ensure that your child brings a water bottle to school so that it can be filled before we go outside at recess, lunch, and possibly other times during the day. Cool clothing is important, so children don't overheat. We recommend a hat and sunscreen as well. We have shady areas outside, and students can also take their umbrellas out for "shade on the go"!

**SCHOOL CALENDAR**

Every year, the school sends a basic school calendar to parents to allow them to see the planned non-instructional days, statutory holidays, and school holidays so that you can make plans ahead of the next school year. Attached to this newsletter you will find the 2023-2024 calendar. It is also posted on our website.

**SUMMER OPPORTUNITIES**

Remember that school is in session for our students until the end of July. If you register your child for a summer camp, please only select dates/times after school (in July) or during the month of August.

**RICHMOND DAYCAMPS: Fun, Social, Creative & Active!**

New friends, fun activities, creative crafts and good times are ahead for children enrolled in Richmond camps. Led by enthusiastic and experienced staff, children will be inspired to stay active and socialize in a safe and respectful way as they connect with new peers and learn healthy new skills to last a lifetime.
