

SPUL'U'KWUKS NEWS

We acknowledge and thank the First Peoples of the **hən'q'əmiŋ'əmə** (hun-ki-meen-um) language group on whose traditional and unceded territories we teach, learn and live.

Parent/Guardian Requirement

Please note the registration requirement that at least one legal guardian is required to be living with a student(s) when school is in session. If the requirement is not met, registration is withdrawn.

For this reason, parents and guardians who are planning to spend time overseas without their children need to do so during school holidays.

Guardianship may only be transferred through a legal process, and documentation is required.

If you have any questions, please contact the office.

Community Programs

Attached you will find information about three community programs for children under five years old and "Neuro-Drivers" sessions for adults caring for kids with neurodiversities.
