Utilizing Feeding Futures as well as National School Food Program funding, the Richmond School District will be piloting a universal hot lunch program at selected elementary and secondary schools. It is anticipated that students at Spul'u'kwuks will be offered a lunch once a month *at no cost* to families.

We will be using the MunchaLunch ordering platform which families already use to order other hot lunches from the school. This will be an "opt-in" program where you can look at the lunch being offered and decide if you want it or not. If not, your child will need to bring a lunch from home or you can order from Libby's Kitchen on that day.

We hope to send you more information next week, so keep a close eye on your email for instructions. Our first lunch delivery is scheduled for Wednesday, February 11th, and there will be a short turn-around time for you to opt-in to the lunch.

Your time makes a big difference in keeping our kids safe and our mornings running smoothly.
