Basketball season wrapped up with the Burnett Breakers Jamboree last week and the Staff vs. Students game today..

Thank you to our coaches (Ms. Rakhra, Mr. So, Mr. West, and Ms. Yuen) and our parent/guardian drivers for their time and support.

Our students have had a great season thanks to all who pitched in!

What's Happening in the Library for Grade 4-7

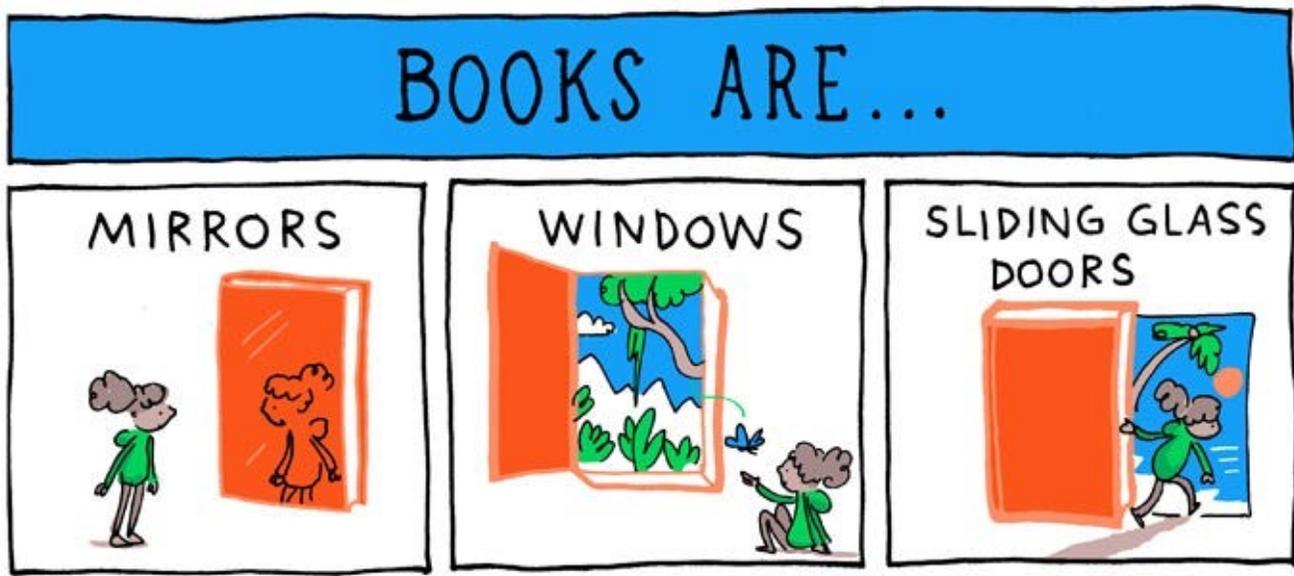

Term 2 we started our first Spul'u'kwuks Reading Bingo Challenge! Each bingo square has a different reading task encouraging students to read variety of literature. Students who filled out 1 line were able to enter a draw for prizes. Students who filled out 3 lines (reading at least 12 books!!) got an invite to a celebration party! (*Draws and celebrations are held the week of March 23-27*)- Ask your child if they participated.

Why do a bingo challenge? Why it is important for students to explore multiple types of literature?

Literature provides a safe space for children to explore feelings which helps them understand their own emotions and those of others. Books allow students to expand their vocabularies and gain a better understand themselves and others. When books reflect the diverse groups of people in the world around them, children learn to develop respect for themselves and others.

We want to encourage students to read books in which they can see themselves reflected, but also as a window for them to explore the world around them.

Term 2 Learning Update (Report Cards)

Term 2 Learning Updates will be published to the MyEducation BC Parent Portal after school on Monday, March 30.

This Learning Update provides important information on your child's progress in all areas of their learning, including proficiency indicators for each class and comments from teachers.

We want to ensure that all parents/guardians have access to their MyEducation BC Parent Portal account so that they can view the learning update once it is. Please [login](#) to your account before March 30 to confirm access. We recommended using a computer rather than a phone or a tablet. [Instructions](#) for logging in and resetting your password are provided. If you have forgotten your password or it has expired, select 'Trouble logging in?' and follow the prompts to reset it. If you need help logging in, please send an email to myedparentportal@sd38.bc.ca and include your full name, relation to the child, child's school and child's full name.

We would like to have 100% of families access, read, and download their children's report cards (our rate last term was 71%).

You will also receive a separate email with this information.
